## CES 2019 NEWS RELEASE

For Immediate Release

### CLEER MIRAGE SMART HOME DISPLAY SPEAKER DEBUTS AT CES

#### One of the First Speakers To Integrate a Flexible AMOLED

**Las Vegas, NV, CES – January 8, 2019** – Own the moment as Cleer Inc., designer and manufacturer of high-performance audio electronics announces the **MIRAGE Smart Display Speaker** with Alexa a **CES 2019 Innovation Awards Honoree**, to be showcased at CES 2019 at the Las Vegas Convention Center, South Hall 1 – Booth #20424.

An innovative spin on *smart* home entertainment - the **MIRAGE Smart Display Speaker** features a curved display with 360-degree sound *and is* built upon the Qualcomm APQ8053 Smart Audio Platform, incorporating flexible Bluetooth® 4.2 + BLE and Wi-Fi connectivity as well as a complete Alexa integration for powerful and immersive connected experiences.

The curved 7.8” flexible AMOLED display delivers immersive viewing from all angles. Stay on top of your schedule, in touch with family or view lyrics to that special song. Integrated LED lighting also compliments any decor and sets the mood day or night. In Music Mode, the light will pulse in-sync with your favorite playlist.

“Flexible AMOLED has allowed us to rethink how we create audio products for consumers home. We’re excited to get away from square displays and leverage 360-degree sound in conjunction with the flexible display, said Patrick Huang, CEO and President of Cleer Inc.

At home in the kitchen, office or living room, the **MIRAGE** speaker delivers rich and immersive, 360-degree audio via a ringed 3.1 channel speaker array with passive radiator. Selectable DSP modes, via the Cleer Connect + app, allow for anything from room-filling music to a home theater experience.

Superb far-field voice recognition with optimized noise-rejection affords superb hands-free interaction. Enjoy effortless voice control via Alexa from anywhere in the room – just ask to access your favorite playlists, control smart home devices, access tens of thousands of skills, and more. The Mirage also allows for touch control.

The **MIRAGE Smart Home Display** will be available for in 3<sup>rd</sup> Quarter 2019 in **Black**, for **\$499.99 MSRP**
